# THANKS TO OUR NURSES

## We're One of America's Safest Hospitals

Our nurses work hard to prevent infections, double-check medications and keep patients free from harm. Safety is a big problem in hospitals across the country, which is why we are so proud that [John Doe Hospital] earned an "A" from the Leapfrog Hospital Safety Grade for being one of the safest hospitals in America. Our nurses are a big reason for that distinction, and we thank them.

**BIG AWARDS** For  
Doing The **LITTLE**  
**THINGS**

Keeping our patients safe from infection is a top priority. In addition to the top-notch doctors and cutting edge technology we are known for, we focus on the little details that also save lives: hand washing, strict hygiene rules, and comprehensive training.

We aren't perfect, but we are committed to fight for our patients every day. We congratulate our doctors, nurses, staff, and board for this recognition of our never ending quest for patient safety.
